

PROXY FORM

For the Park Wilshire pool to operate, a Board of Directors must be elected at an annual membership meeting attended by a necessary quorum of 25% of the resident households. The Proxy form below allows Resident PWIA members in good standing who cannot attend the Annual Meeting to cast a ballot via another attending individual. And the Proxy form can be printed from the website PWIA.net. The Proxy names any Resident Member in good standing to vote for the absent member. Give your proxy to a current board member, or other individual, who represents your views AND WILL ATTEND THE VIRTUAL MEETING. Completed Proxy forms must be received at the pool's mailbox by the deadline stated below. Note: the proxy form must be signed, and the resident member address stated.

Your completed proxy must be received at the pool mailbox on or before Sunday, March 7, 2021 for verification.
