

PWIA
Non-Resident Swim Membership
Wait List Application

Please complete this form and email it to: membership@pwia.net

There is a cap on the number of swim memberships PWIA grants to Non-Resident members of the Association. Your information will remain on the waitlist until it reaches the top, at which time you will receive an offer via email. The length of time to receive a swim membership depends on the number of openings each year and the number of people ahead of you on the waitlist.

Upon email receipt and processing of your application, you will receive an email confirmation from membership@pwia.net (please check your SPAM folder and mark this address as safe). Please keep this email for your records.

If you have any questions, please visit www.pwia.net or email membership@pwia.net.
